**TOTAL CREDITS REQUIRED: 42**

<sup>1</sup> MPH students may take BIOS 600 in lieu of HPM 470.

<sup>2</sup>Required Fees (in addition to University Fees)  
 Professional Training Fee HPM 701 (\$550)  
 Practicum Fee HPM 704 \$450.00

<sup>3</sup>MPH student will no longer be able to use the HPM 735, capstone course as a mechanism to complete comprehensive examination or master's thesis requirements. On an exceptional basis, MPH students may take the capstone course (and capstone prep) as an **elective**. However, this option would be reserved for students who come into the program with the requisite level of knowledge to succeed in the course and contribute to the work of capstone teams. If this is requested by a student, the decision will be left to the course instructor with the advice of the program director and faculty advisor.
