

## 2011 MSPH CURRICULUM SEQUENCE

| Semester      | Number                             | Short Title   | Credit Hours | Required  |
|---------------|------------------------------------|---|--------------|-----------|
| <b>FALL 1</b> | BIOS 600                           | Principles of Statistical Inference                                     | 3.0          | Dept Core |
|               | HPM 601                            | Issues in Health Care   | 1.0          | Dept Core |
|               | HPM 730                            | Leadership and Management of Health Care Organizations                  | 3.0          | Dept Core |
|               | HPM 740                            | Introduction to Health Care Financial Management                        | 3.0          | Dept Core |
|               | HPM 754                            | Health Care in the US Structure and Policy                              | 4.0          | Dept Core |
|               | HPM 701 <sup>1</sup>               | Professional Training I \$550.00 fee (in addition to University Fees)   | N/A          | Dept Core |
|               | HPM 496 (55) <sup>2</sup>          | Math/Stata Module (Optional)  | 1            | Optional  |
| <b>SPRG 1</b> | HPM 472                            | Program Evaluation  | 3.0          | MSPH Core |
|               | HPM 760                            | Information and Quality Management                                      | 3.0          | Dept Core |
|               | HPM 770                            | Introduction to Operations Research for Healthcare Systems              | 3.0          | Dept Core |
|               | EPID 600                           | Principles of Epidemiology  | 3.0          | SPH Core  |
|               | Concentration and elective courses | Concentration courses and electives                                     | Variable     | Dept Core |
| <b>SUMM 1</b> | HPM 704 <sup>1</sup>               | Internship \$450.00 fee (in addition to University Fees)                | 2.0          | Dept Core |
| <b>FALL 2</b> | HPM 702 <sup>1</sup>               | Professional Training II \$500.00 fee (in addition to University Fees)  | N/A          | Dept Core |
|               | HPM 710                            | Health Law  | 3.0          | Dept Core |
|               | HPM 715                            | Health Economics for Policy and Administration                          | 3.0          | Dept Core |
|               | HPM 772 <sup>3</sup>               | Methods for Health Policy Analysis and Technology Assessment            | 3.0          | MSPH Core |
|               | HPM 789                            | Master's Paper Development  | 1.0          | MSPH Core |
|               | SPH Core Course                    | ENVR 600 or HBHE 600  | 3.0          | SPH Core  |
|               | Concentration and elective courses | Concentration courses and electives                                     | Variable     | Dept Core |
| <b>SPRG 2</b> | HPM 703 <sup>1</sup>               | Professional Training III \$500.00 fee (in addition to University Fees) | N/A          | Dept Core |
|               | HPM 992                            | Master's Paper  | 3.0          | MSPH Core |
|               | SPH Core Course                    | ENVR 600 or HBHE 600  | 3.0          | SPH Core  |
|               | Concentration and elective courses | Concentration courses and electives                                     | Variable     | Dept Core |

**TOTAL CREDITS REQUIRED: 60**

<sup>1</sup>Required Fees (in addition to University Fees)  
Professional Training Fees: HPM 701 (\$550) HPM 702 & 703 (\$500 each)  
Field Training: \$450

<sup>2</sup> MSPH students with a particular interest in health services research may opt to take HPM 881 in spring 2012, which is a doctoral-level course. If so, then students should plan to take the one-credit math module, HPM 496 (55), in fall 2011. This is a preparatory course for HPM 881. This will be discussed during orientation and you should also discuss this with your advisor.

<sup>3</sup>EPID 600 is prerequisite for HPM 772
