Teaching Activities

Primary responsibilities include teaching in the first and second years of the School of Medicine curriculum through the Department of Social Medicine, and teaching courses for masters and DrPH students in the School of Public Health through the Department of Health Policy & Management. I previously taught health policy to undergraduates at UNC, including classes in political science and public policy. I also served as Co-Course Director for the first-year School of Medicine course *Medicine and Society* from 2002-2007, and I continue to have primary responsibility for writing and coordinating the course's health care reform exercise.

School of Medicine

Course Director, Medicine and Society 2002-2007.

Medicine and Society, 1997-present. Approximately 60 contact hours. Interdisciplinary, required year-long (2 semesters) course for first-year medical students.

Health Policy and the Transformation of American Medicine Selective, 1998-present. Approximately 30 contact hours. Seminar in the Social Sciences and Humanities for second-year medical students.

Independent Study in Social Medicine, 1998-present. Elective for 2nd-4th year medical students. Supervise UNC medical student research on various topics in health policy. Six students supervised to date.

School of Public Health

Health Reform: Political Dynamics and Policy Dilemmas, 2006-present. Elective course for master's students in Health Policy and Management. Approximately 45 contact hours.

Issues in Health Policy and Reform, 2007-present. Required course for DrPH students in Health Policy and Management. Approximately 14 contact hours.

College of Arts and Sciences

Health Politics and Policy, Undergraduate Course, Department of Political Science, 1998-2002. Approximately 45 contact hours.

Health Politics and Policy, Undergraduate Course, Department of Public Policy, 2006. Approximately 45 contact hours.

Independent Study in Health Policy, Department of Political Science, 1998-present. Three students supervised to date.

Honors Thesis Advisor, Department of Political Science, 1998-present. One thesis supervised to date.

Contracts & Grants

Russell Sage Foundation. 2008-2009. "Health Care Reform." \$111,233.

Kaiser Family Foundation. 2008. "The Politics of the State Children's Health Insurance Program." \$25,000.

Greenwall Foundation Fellowship in Bioethics. 2002-2005. "Rationing Medicine: The Oregon Health Plan and the Search for Justice in Health Policy." Principal Investigator. \$148,391.

The Century Foundation. 2000. \$18,000, "A New Approach to Medicare Reform."

UNC Institute on Aging Exploratory Grant. 2000. "Reforming Medicare: An Analysis of the Premium Support Model." \$5,000.

UNC Ueltschi Service Learning Course Development Grant. 1998-2000. \$8000 (with Joel Schwartz)

Harvard University, Kennedy School of Government. Project on Innovations in American Government. 1997-1998. "Rationing Health Care in Oregon." \$30,000 (with Theodore Marmor and Lawrence Jacobs).
